

INFORMATION SHEET

EVENT MONITOR

EVENT MONITOR EXPLAINED

A monitor which detects and records your heart rate and rhythm whilst you are experiencing symptoms

PREPARATION

Please bring to your appointment:

- Your referral and Medicare, Pension and/or Health Care Cards
- A list of your current medication.

WHAT HAPPENS DURING THE PROCEDURE

You will be fitted with a monitor which you may keep for up to several weeks. The nurse will instruct you on how to use the monitor including removing for showering and recording and sending events.

HOW LONG DOES IT TAKE

Approximately 20 minutes to have the monitor fitted and explained to you.

AFTER THE EXAMINATION

You may resume your usual activities and press the button to record events.

YOUR IMAGES AND REPORT

A report will be sent to your referring doctor. It is very important you return to your doctor to discuss your examination results.
